

Goals

GOALS FOR COMPUTER APPS.

- Turn in all assignments

I have not met that goal yet. I have assignment that I miss when I was gone. I still need to turn them in so I'm going to do that at study hall. I need to get them all done so they can go into midterms.

- Get at less a B in this class

I have not met this goal yet because I need to turn in all of my assignments and then I believe I will met this goal.

- Try my best

I have not reached this goal because I need to get all my work in and start trying hard.

GOAL FOR SPANISH

- Get a better grade

I need to get all my make-up work in in order for me to get a better grade. I also need to study more. Turning in all of my assignments to would help. So no I didn't reach this goal.

- Attend that class more often

I have met that goal. I have started to go to that class every day. Its helps out a lot like grade wise. Then I know what to do and how to do it.

- Get some extra help

I have asked for some extra credit. I have asked my mom to help me out with it and some of my friends are really good at Spanish so I will sometimes get help from them. I think I wouldn't really need extra help if I study harder. So I did achieve this goal.

GOALS OUTSIDE OF SCHOOL

- Start doing my homework

I have reached this goal. I have been doing all of my homework for every subject! It's hard for me to sit down and do it but I just think that if I want to have a future I better do it. Plus it's not that long were almost half way through the school year.

- Stop getting into trouble

I haven't reached this goal. I haven't because I don't think of the consequences and I don't think twice before I do something. So I'm going to start thinking about what's going to happen after I do this and hopefully decide not to do what is going to get me into trouble. I think I can achieve this goal.

- Start listening to my mom

I have been listening to my mom. I figured out its so much better to get along with her if I do. She listens to me if I ask her to do something for me. So I should have that respect and listen to her back.

- **Help my mom out**

I have got this goal down. I have been helping my mom out a lot. With anything she needs I will help her. She has been under a lot of stress so it would be better for her if I help her around the house. Like cleaning, watching the boys, doing laundry, etc.
